Welcome

Thank you for your interest in working for the Royal City Soccer Club. Please read this [Staff Intro Package](#) to better prepare yourself for the application, interview and hiring process. We encourage you to visit our website at www.royalsoccer.com to learn more about our programs prior to applying.

About Us

The Royal City Soccer Club (RCSC) is a registered non-profit organization which took roots in Guelph, Ontario in 1993. This will be our 32nd year of hosting camps so we are very excited. We operate camps in over 100 locations across 6 provinces. Our camps are the #1 grassroots soccer day camp in Canada as we've hosted over 300,000 children over the years. The success of our camps is due in large part to our great staff.

Camp Description

At each camp location, we offer full day and morning sessions. The morning sessions focus on soccer which will include warm-up games, skill development, team building, scrimmages, and Mini-World Cups. The campers will be grouped and coached by age, size, and ability where appropriate. The ratios for morning sessions of soccer are approximately 10 campers to 1 staff. The full day sessions combine the morning sessions with a less structured afternoon format that will include a variety of camp games and a leisure fun swim (not all locations swim daily). Details of our sessions are available on our website.

Pay

Those who choose to work at summer camps do so primarily because they love to work with children in a fun, camp atmosphere, not because they want to get rich. If pay is your primary motivating factor, then employment at a camp may not be for you. At Royal City Soccer Club, we offer a competitive camp wage which is based on position, experience, and years of service. Pay for each position is outlined at the end of the job description. Wages are paid weekly on Fridays, one week after your completed week. Staff are not paid for any time off taken due to sickness or other reasons.

Hours

Hours of employment may vary depending on the position, number of other staff working at your site or other factors and are subject to change.

CITs, Counselors and Supervisors are expected to work shifts between 7 and 9 hours per day depending on several factors including number of staff working at your site, camper enrolment and last camper pick up time. There may be exceptions to the hours listed above in extreme circumstances. The onsite Supervisor will prepare the weekly schedule of hours. Supervisors must acknowledge that administrative work is required and while it can be completed while at camp, may have the option to complete outside the regular hours of camp.

Volunteers are expected to sign up for one of three possible sessions (mornings 4 hours, afternoons 4 hours, or full days 8 hours). Morning or afternoon sessions are approximately 20 hours/week and full day sessions are 40 hours/week. We encourage volunteers to apply for full days where possible. A letter confirming hours of volunteering is available on completion.

Regional Coordinators hours vary from day to day but are generally 40 hours per week. More details to be discussed during the interview process.
